

GOLDEN GREENHOUSES

& Flower Farms, Inc., P.O. Box 388, Golden, Colorado.

LIST NO. 4 1955

Dear Violet Grower:

This introduces our fourth list, and is a combination of the best & also the newer varieties. This list is in two parts. One part is for plants and leaves, the other part for leaves only.

Shipping will start about April 1st, altho last year it was almost the 15th before we could ship safely.

SPECIAL JANUARY AND FEBRUARY OFFER: Any leaves ordered from these pages will be rooted between now and April and shipped as rooted leaves at fresh cut leaf prices. This offer expires March 1st unless reconfirmed then.

The sooner these leaves are ordered the sooner they will be rooted and the larger the plantlets will be in April. If requested they could be shipped after the convention and would be even larger and more desirable.

Plants ordered now will be reserved until shipping time, and will be larger than ordinarily sent. If plant prices are lower at shipping time a refund will be allowed.

SHIPPING:

Safe weather is between April 1-Nov 15. with a "lull" during July and August.

PARCEL POST vs AIRMAIL

All orders east of Iowa and Missouri should go Airmail. Others usually are not much improved, except California.

Please include 50¢ for packing and postage on all parcel post. For AIRMAIL please enclose \$1.00 per order.

If you will include several extra variety names we will include one or more to make up for postal & Packing.

Airmail on pot plants is extra at cost.

OUR GUARANTEE

We guarantee satisfaction. Our leaves are selected from our stock collection of almost 1000 varieties, mostly blooming. The leaves are rooted in our own sterile rooting medium. Leaves rooted in Jan & Feb. should have plantlets on most vars. We will replace damaged leaves or refund.

THE SAINTPAULIAN?

Have you seen the Saintpaulian? THE SAINTPAULIAN is an amateur mimeographed magazine printed for you. It has now been published three times, and has been very well received by everyone that has commented on it. It contains down to earth facts about growing African Violets, and will contain articles about other house plants.

The best feature, according to many subscribers is the list of Varieties being published each month. October was "A", November was "B", and December was "Blue".

Subscriptions have doubled each month of publication. We are growing fast.... The subscription price is \$2.00 per year. We have reprinted October and November and you can start your subscription with the first issue if you hurry! Copies 20¢ if ordered separately. Write "THE SAINTPAULIAN". P.O.
